Wealthy, attractive Lucas Reika treats life like a party, moving from bar to bar and man to man. Thumbing his nose at his restaurateur fathers demand that he earn his keep, Lucas instead seduces a valued employee in the kitchen of their flagship restaurant, earning himself an ultimatum: lose access to his fathers money or stay in the middle of nowhere with a man he has secretly lusted over from afar. Quiet, hard-working Jared McFarland loves his farm on the outskirts of Hope, Arizona, but he aches to have someone to come home to at the end of the day. Jared agrees to take in his longtime crush as a favor. But when Lucas invades his heart in addition to his space, Jared has to decide how much of himself hes willing to risk and figure out if he can offer Lucas enough to keep him after his fathers punishment is over.
