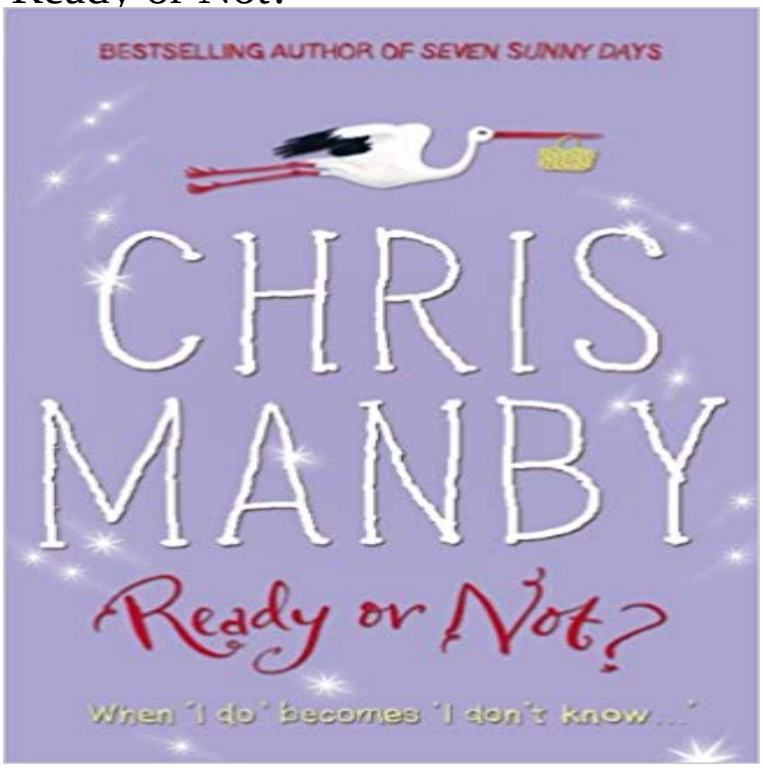
Ready or Not?



Every bride is entitled to some pre-wedding jitters. And what girl wouldnt think twice about marriage when her fiance gets his eyebrows shaved off just in time to look horrendous for the photographs?But what if its not the ceremony that freaks you out but the happy ever after? Heidi Savage is wondering whether she can really forsake all others for macho, beer-swilling Ed. And how can a couple whove never even been baby-sitters be ready to start a family of their own?Will the answer come in the form of her ex-boyfriend Steven? Grown-up, gorgeous and good-with-children. Is Heidis dilemma simply a case of right shoes, right dress, wrong husband?
