

What would you do if a simple date turned out to be the date from hell? Jade Louis was happily living her dream as a Broadway dancer in New York until a traumatic night sent her fleeing to safety in small town West Trenton, Louisiana. Although no one there knew her secret, she was constantly in fear that her ex-boyfriend would find her and finish what he started. Aidan Sinclair fell hard for Jade the moment he laid eyes on the beautiful brunette. Even when Jade kept pushing him away, he felt an overwhelming need to protect her. So when Jades past catches up with her and she runs again, Aidan is hot on her heels. Never one to give up on what he wants, Aidan is determined to find out what has her running scared so he can save her and make her his.
