

Supernatural Lovers

Darkest Desire by JC Grey: Morgan believes the three Cs--calm, control and celibacy--are the keywords to a successful and serene life, but right at the moment she has neither. As if a stressful new job wasn't enough, she suddenly has not one but two men in her life--the earthly attractive archaeologist, Hunter Riley, and the Celtic warrior-god who invades her suddenly very carnal dreams.. The Djinn by Marie Morin: Dark, dangerous, exotic, and all too irresistible, the djinn, Raheem wreaks havoc on Elise Beauchamps ordered, uncomplicated life the moment he appears. There's no doubt in Elise's mind that he can create a fire in her blood, but can he grant her the one wish her heart truly desires? Gypsy Nights by Mandy M. Roth: Thirty years ago, Gypsy missionaries fought back against the demons. In the midst of the struggle between good and evil, a new type of vampire surfaced--one who was capable of feeling compassion, love, remorse. Master vampire, Sebastian Rolle disobeyed direct orders and tried to save a pregnant gypsy's life. Upon her death, the woman confessed that she was carrying the child that would one day mate with a demon, forming a union that would end the war between their races. Rating: Stories in this collection contain mature situations, graphic violence, strong language, and explicit sex. Some also contain a threesome, anal sex, and oral sex. It is not intended for the faint of heart.
