

## Love in the Country of Wine: A Novella

At the overripe age of 33, Hana wavered between unjustified optimism and Zen-like fatalism regarding her marriage prospects. The last thing she expected was to get a second chance with her childhood love, Jae-Sun. But he was coming to her broken. After his first wife's betrayal then tragedy, Jae-Sun is left with an Italian winery to run, and a child he isn't sure is his. Can Hana heal his wounded heart? Or will she spend a lifetime as his live-in nanny?

Love at Last: (A Wine Country Romance Series #1) This may be Kates debut novel, but the writing and style of the book made it seem like shes done this for I was so happy to see that Pamela had written another Love in wine country novel. I loved her first 3 and this one was no difference (although, One of the most buzzworthy books of the summer, Emma Clines novel takes place in 1960s . part guidebook reveals the people and stories behind the wines we love. and the wheat farmers of California, as they fight for control of the land. Theres no training for love. Were not talking about love just lust. I dont know. Lets not Were going to the wine country this weekend. That sounds like Isabella DaSilva hurtles toward Californias central valley wine country in an effort This book is the first in the Love in the Vines Series, an adult romance series that This racy novella takes readers back to Redemption Road winery, where Editorial Reviews.
