

Back to You (Parkside Avenue Book 4)

Nessie thought she'd found the perfect man to heal her broken heart, but being the girlfriend of a band manager isn't what she thought it would be. When the rock stars and parties disappear, reality hits. She wants out, but it's not that easy. Her mother is getting married, and Nessie has promised to get through the week without causing trouble. As the wedding approaches, the surprising reappearance of the boy she's never forgotten threatens to upset her well-laid plans, especially now he's all grown up and he's asking her to trust him with her heart for a second time. Matt knows he's been stupid. Four years ago, he made a very bad decision and lost someone amazing. Since then, his life has changed beyond all recognition, but there's one thing he needs to complete it, and this time, he's not letting her go. With just one week to convince Nessie he's a changed man, it's going to take all he's got to get her to forgive him and win her back. *Back to You* is book four in the new adult Parkside Avenue series of stand-alone stories, with interlocking characters and a happy ever after.
