

for any amount of time can cause feelings to change. It also doesn't hurt that Victor is the only one who can feed Taylor. With his blood comes some unexpected results due to him hiding a very scary secret. The scenes between Victor and Taylor were scorching hot, but also super sweet. I loved how he was with her. Victor was a huge surprise for me. But I guess he shouldn't have been. He was incredibly loving and sweet yet 100% Alpha, just the way Evangeline always writes her men. Scarlet Heat totally hits the spot for this Vampire/Werewolf romance and I absolutely can't wait to read the next installment in the series, Ruby Shadows. Romance Junkies Reviews SCARLET HEAT is the second story in Evangeline Anderson's BORN TO DARKNESS series and I wholeheartedly highly recommend especially if you've already read CRIMSON DEBT. SCARLET HEAT not only gives the reader Taylor's story as she grows in confidence and finds love with a most unexpected man (werewolf, if you want to get technical). Taylor and Victor seem like a very unlikely couple yet they're perfect together and the situations they find themselves in are positively enchanting. I love how Victor is so patient with Taylor and her sexual fears even while her coming into heat is driving them both nuts. SCARLET HEAT is a wonderful follow up to CRIMSON DEBT and I'm now eagerly awaiting the next release in this charming series, RUBY SHADOWS. ***Note to my regular readers: this is the same book, Scarlet Heat, which is available at the regular Amazon site. It has been broken up into 4 parts for Kindle Unlimited***
