

The Exquisite Zodiac: Why the Signs Are the Way They Are and What it Means for You

The time has come for humanity to comprehend the full brilliance of the zodiacs grand design. With the premise that the atoms inside our bodies are the same ones that comprise the universe, The Exquisite Zodiac reveals how every facet of the zodiac works in sync, and how we can apply the entirety of its intelligence and wisdom in a practical way. The first step is to leave your Sun sign at the door. You will discover that each of us is a unique blend of every aspect of our natal charts. Then the authors mine deeper to explain why each sign is the way it is, and how all twelve are intricately related. Why is Aries so impulsive? Why are Capricorns so careful? Why is Scorpio the sign of sexuality? Why do Geminis have a split personality? Why are Aquarians so idealistic? And so on. The Exquisite Zodiac bridges the gap between abstract, esoteric astrology books and those that are glib and misleading thereby setting astrology on the proper track for our time. After reading this book, you will never view astrology or yourself and your relationships in the same way again.
