

A Courtesans Guide to Getting Your Man

Regency Londons most celebrated courtesan, The Blackbird, was a woman before her time uninhibited, financially independent, and free to live by her own rules. Schooled in the sensual arts by the one man she loved the most, she recorded every wicked detail in her diaries. When Boston museum curator Piper Chase-Pierpont unearths The Blackbirds steamy memoirs, shes aroused and challenged by what she finds. Could the courtesans diaries be used as a modern girls guide to finding love and empowerment? One curious curator and one very lucky man are about to find out
