

## Pursued (Mating of the Beasts)

After returning to her childhood vacation home, Chloe finds that a secluded cabin in the woods isn't necessarily the safest place to be. She flees for her life as a werewolf chases her through the familiar cabin, but is the creature truly what he seems to be? Is he a bloodthirsty werewolf? Or something more? This is part of the Mating of the Beasts series, but can stand alone. You do not need to read the other books to understand the going ons. This novelette is about 11,000 words.
