

Winter Fairy (Crimson Romance)

Recuperating ballerina Penelope Glazier can enchant the young girls in her Fairy Dreams class, but will her magic work on Carson Langley, the sexy but straight-laced single father of her most talented student? Widowed doctor Carson Langley didn't know what surprises him more at his six-year-old's dance recital, that his reticent daughter is the star of the show or that the attractive teacher, Penelope Glazier, seems to have gotten through to his girl. Too bad she considers teaching a temporary job before she returns to her professional touring company. Even if he were willing to take a risk with his heart, he has to protect his daughter, Eloise. Free-spirited Penelope Glazier doesn't believe the stories she heard about Eloise. All she sees is a creative girl who needs some direction and she's the perfect person to provide it while she recovers from a near catastrophic injury. After spending time with Eloise and her by-the-book father, she recognizes that despite their differences, they have a connection. When Penelope lands a plum part will she dance out of Carson and Eloise's life forever? Or will she take on her riskiest part ever? Sensuality Level: Sensual
