

## Scent of Heather (International Romance Series)

How will I ever go back to my Cinderella life after this? Romantic Jessamyn Baird had to pinch herself to realize she wasn't dreaming. She really was in Great Britain on a trip she had wanted to take all of her life. But it wouldn't last forever. Soon she would have to make some hard choices about her future and the two men who wanted to share it with her. Handsome Peter Fortnay was the epitome of the English gentleman, while Graham Campbell was eminently pragmatic, even a little abrupt like his Scottish ancestors. Her dreams were drawing her to Peter but her heart was leading her to Graham! Scent of Heather is a part of the author's International Romance Series.
