About the Mystery-Bred Manna Series Follow The Replicator as he transforms an old (starting at 72) Israel-ignorant Christian geezer into a fiery-love apologist for Messiah Yeshua disciples in Nation-Israel. The Replicator himself is the Living Bread come down from heaven. Each breaking and eating of this Bread is transforming resurrection life that I call Mystery-Bred Manna. As you eat, so do you change. One broken hunk o manna a day transforms your stinking-thinking mind into the mind of Messiah in you as a Yeshua follower, adopted into the Israel-Nation Family, grafted into the Israel-Nation olive Tree of Life. Follow The Replicator through this series, continue through His other works under Thomas Pelham Gross for a year and you will have 13 years worth of Spirit-led Bible research and Truth-revelation of the Kingdom of Heaven on earth, created and formed around reborn Nation-Israel. Be renewed by the transformation of your mind and enter through The Replicator Gate into New Jerusalem; names of the 12 Israeli apostles forming the foundation, names of the 12 tribes of Israeli-Nation written over the gates. Who is living in the 12 apostles and the 12 tribes but The Replicator (one with His Father) who said he was The Gate into the sheepfold-City the one who welcomes you, bids you through the Israeli Prophet Isaiah and the Israeli Apostle John, Enter in now through the gates; go through, go through. Lord Yeshua, as The Living Gate Replicator, drop your Living-Gate body over me, swallow me up inside you and on inside our Father into New Jerusalem, and reveal yourself as The Replicator in and through me. Amen; so has it been received and so has it been done. Son of Israel) (Part 3: Joseph, Son of David) (Part 4: Isaac, Son of Promise) GOD Said Kill Him There ... and offer him as a whole burnt offering on one of the mountains. (Gen 22:2 New Century Version) Is there a verse anywhere that is harder for us to accept as coming from a God who claims to be love? What sense does this make?! Does not this challenge us beyond imagination? Does this not fall into the bin with The Holocaust in its offensiveness to our civilized sensibilities? What on this earth can we do with this commandment from God for a man to kill his own son? Do we just have to shake our head, groan and pass over it with a heavy heart and a troubled mind? Dare we face it openly for revelation and understanding from God? Steady as You Go We have understood the experience as a real life portrayal of Jesus being offered up for our sins. But was such a ghastly thing necessary? What was gained by asking a man to take his own son up on a mountain, tie him on an altar, kill him and burn him? Sounds like an absolutely bazaar and pagan ritual! It looks like God is demanding a human sacrifice. You must know going into this that understanding may not come instantly or easily. But God is all about revealing himself and his ways through the Spirit of revelation to those with an obedient heart who keep on asking, seeking, and knocking. Introduction Throughout this four part look at how Abraham changed history, I am bucking thought-lines that decades of religion formed in my mind. I am yielding to the Spirit to disconnect the thought-cars from worn out religious engines and connect my whole brain-train to Israels Messiah Jesus.
