Reality is overrated Exhausted single mom Daisy Garner is shocked when her blog about life with Darling Husband and Baby Delight in their charming Victorian home brings a national talk show to her door. Amazing! Except she made the whole thing up. Panic! Now she needs to borrow a Victorian house and find a man to play her fake husband on TV. Travis OHare steps up for the role, as long as she will marry him for real. He wants their son to have the stable home life Travis never had.
