

Lothaire (Immortals After Dark Book 12)

#1 New York Times bestselling author Kresley Cole continues her electrifying Immortals After Dark series with this thrilling tale, revealing secrets of the Lore, fierce realm of the immortals. ALL FEAR THE ENEMY OF OLD. Driven by his insatiable need for revenge, Lothaire, the Lore's most ruthless vampire, plots to seize the Hordes crown. But bloodlust and torture have left him on the brink of madness until he finds Elizabeth Peirce, the key to his victory. He captures the unique young mortal, intending to offer up her very soul in exchange for power, yet Elizabeth soothes his tormented mind and awakens within him emotions Lothaire believed he could no longer experience. A DEADLY FORCE DWELLS WITHIN HER. Growing up in desperate poverty, Ellie Peirce yearned for a better life, never imagining she'd be convicted of murder or that an evil immortal would abduct her from death row. But Lothaire is no savior, as he himself plans to sacrifice Ellie in one month's time. And yet the vampire seems to ache for her touch, showering her with wealth and sexual pleasure. In a bid to save her soul, Ellie surrenders her body to the wicked vampire, while vowing to protect her heart. CENTURIES OF COLD INDIFFERENCE SHATTERED. Elizabeth tempts Lothaire beyond reason, as only his fated mate could. As the month draws to a close, he must choose between a millennia-old blood vendetta and his irresistible prisoner. Will Lothaire succumb to the miseries of his past or risk everything for a future with her?
