

## Hope for Tomorrow (The Davenport Series Book 2)

Can your tomorrows really be different than your yesterdays? Meg Freeman was widowed at twenty-nine and working hard to put the pieces of her life back together. A chance encounter and a crazy, perilous adventure brought her into the arms of her teenage crush, Jon Davenport. Jon invited Meg to join with him in searching for sunken treasure in the Bahamas. Though they brought up a few pieces of gold while scuba diving near Nassau some months earlier (book 1), they were both convinced that there was a sunken, Spanish galleon nearby. Megs decision to join the salvage team leads to an exciting underwater adventure that would radically change her life. Though she thought that searching for gold would be something as simple as a group of friends following clues through the beautiful waters of the Bahamas, she soon realized that their search would lead to a lot of danger. Join Jon and Meg on a scuba adventure that leads to greater treasure than gold.
