The Analects of Confucius, are a record of the words and acts of the central Chinese thinker and philosopher Confucius and his disciples, as well as the discussions they held. The Chinese title literally means discussion over [Confucius] words. Written during the Spring and Autumn Period through the Warring States Period (ca. 479 BCE - 221 BCE), the Analects is the representative work of Confucianism and continues to have a tremendous influence on Chinese and East Asian thought and values today. For almost two thousand years, the Analects had also been the fundamental course of study for any Chinese scholar, for a man was not considered morally upright or enlightened if he did not study Confucius works.
