

And One Makes Three (Carnal Coeds) (Volume 2)

When Gabe catches his girlfriend, Becca, checking out the local lifeguard, he sees an opportunity to live out his deepest, darkest fantasy. He confronts the handsome stranger and they form an instant, carnal connection. Now Gabe must convince Becca that their troubled relationship needs sexual healing that only the sexy lifeguard, Lane, can provide. Becca feels compatible with Gabe in every way but one. She has tried to overlook the bland sex, but her heart and her body keep wishing for more. A threesome with Gabe and Lane is just what she needs to add some excitement in the bedroom, but a one-night stand will never be enough. Convincing them to make their threesome permanent will take some finesse, especially when Lane's past comes back to haunt them and destroy the fragile bond they share.
