

Romance: Auctioned To The Lion: BBW Paranormal Lion Shifter Romance Standalone (Wild Shifters Book 3)

A Mysterious Billionaire Bidder+ A Charity Auction+ BBW Waitress + Inevitable Lust & Wild Passion= Painfully Pleasurable Lion Bites! Young and beautiful, Katrina is a waitress by profession and single by choice. At 26, she is looking for Mr. Right after a long line of Mr. Wrongs. And, after having a pleasantly bizarre experience at a charity bachelorette auction, the curvy beauty feels desperate to find that special someone. Someone who isn't interested solely in her cup size but who is willing to make her truly feel loved.

She knows her mysterious admirer is out there somewhere but has no idea if fate will allow her to cross paths with him again. Inarguably handsome and irresistibly hot, Devon Secord is not only the youngest billionaire in town but also one man who would make any woman go weak at the knees. It's a shame the hottie is in no mood to settle down for now, especially when he's still looking for the woman of his dreams, the perfect woman his inner beast could instantly recognize as its mate. With a background that ties the billionaire to a family cursed with the lion's spirit, Devon is the only survivor and the last hope for creating an heir for the Secord family. Though reluctant to listen to his father's advice, the billionaire couldn't help but let his heart become a slave to the desires of that one special woman. The woman he's paid thousands of dollars for, the woman who has set his mating urges on fire, the woman with the delicious curves his body craves yet the same woman he is afraid to reveal his true identity to for now. But, when fate decides the best for Devon and Katrina, the passion will be wilder and romance will be steamier. Yes, it's only a matter of time when this curvy beauty learns what it truly means to be auctioned to the lion! Reader Note: This content contains hot romance with some scorching sex scenes and adult language. Only for adult eyes!
