

## Project Lieutenant (The Kapahu Series) (Volume 3)

Lieutenant Paul Choy never thought he'd meet a woman who could best him brain for brain, especially when the brain is tied to one of the most exquisite faces he's ever seen. Maybe his luck with women is changing and he might finally...finally...end up with a girlfriend. Meara McBride, on the other hand, only had one goal: become a fashion designer. Moving from Scotland to Oahu to open a boutique with her best friend, Noelani Choy wasn't going to be easy, but she was willing to do anything to make her dream come true. Even her epiphany of taking a break from men would keep her career on track. Until a hair-brain scheme of turning the soft-spoken Paul into a chick-magnet backfires, leaving her head over heels. Can they design their own fairytale romance and survive a crazed stalker too? With a family like the Kapahus, anything is possible.
