As the landlord of The Dragons Lair and leader of The Black Dragons Motorcycle Club, Axel Carmichael has seen it all and done it all. Hes a respected and experienced dom. Nothing shocks him any more, and nobody catches him off guard. When Bayden rides up to The Dragons Lair on a bike worth more than most men earn in a year, and immediately demonstrates that he has far more attitude than sense, its easy for Axel to write him off as a silly little rich boy whos about to get himself killed. But, theres more to Bayden than meets the eye. Hes no silly little boy, rich or otherwise, and werewolves arent easy to kill.
