

All for Hope (The Rawley Family Romances) (Volume 1)

Sometimes the safest distance between two hearts is no distance at all. Kidnapping a baby wasn't something Hope ever dreamed she would do. But she's been burned by the legal system before, so when the court places her friend's child into the custody of an abuser, she takes matters into her own hands. She steals the baby and fakes her death, hoping to make a clean getaway. She planned every detail, except one. Her high school sweetheart and best friend, who left her years before, sees her at a gas station. Hope thinks all is lost, until he offers to help them. Brennan had always been the love of Hope's life, but he never wanted to be. She knows she cannot depend on him for long. However, as each day passes, it becomes painfully obvious that she is in way over her head. She goes with him, intending to keep him always an arm's length away to protect her heart. But being on the run together sparks the old flames that once burned between Brennan and Hope. Families, friends, and lovers must band together to save an innocent baby and a daring woman or both of their lives will be destroyed. Together, they'll do it All for Hope...
