

Haven

In the tradition of Jan Karon, an inspiring story of six troubled people and the strength they find in each other and their faith. Darrell Miller was running from the ugliness his existence had become, from the men who knew what he'd seen. He found refuge from his terror in the last place he expected: a church. With the kind of people he'd never known before, people whose lives would intertwine with his in a special and most unexpected way...

Haven is for people who need a way to protect their personal spaces and possessions without compromising their own privacy. It is an Android haven: Import and Export SPSS, Stata and SAS Files. Import foreign statistical formats into R via the embedded ReadStat C library.
