

The RichLife Stewardship Principle - How To Increase Wealth In All Areas Of Your Life (Conversations For A Rich Life Book 1)

After working with over 3,000 financial planning clients, Beau Henderson has come to a new definition of the word rich because he believes that money alone isn't enough. He wants everyone to have a complete wealth package that includes money AND strong relationships, physical health, and a fulfilled life. This is what he calls a RichLife, and it begins with the principle of wise stewardship. This book gives you the steps to come up with a better plan to manage your assets - all of them - physical, financial, and human. Nothing important is left out. All you have to add is the work.
