

Belva Plain, Three Complete Novels : Blessings, Whispers, and Homecoming

Belva Plain is in a class by herself. -The New York Times
New York Times bestselling author Belva Plain has penned twenty internationally acclaimed novels. Her tales of family, heritage, and history will resonate with anyone who knows what it is to love and what it is to be a part of a family, which is why her stories captivate readers by the millions. Following up on the first omnibus edition of her work, here are three more rich, moving novels in one volume: Blessings, Whispers, and Homecoming. Blessings is the deeply moving story of the beautiful and gutsy Jennie Rakowsky, whose hidden secret of her youth is about to ruin her brilliantly successful career and brand-new engagement. In Whispers, Lynn and Robert Ferguson seem to have the perfect marriage. But behind closed doors, they hide a terrible secret that threatens to destroy everything. In Homecoming, family matriarch Annette Byrne makes one last effort to pull the fragmented parts of her clan together after tragedies have rocked their once comfortable world.
