

Beneath These Chains (Volume 3)

I was raised on the streets, so I know things are rarely as simple as they appear especially this rich girl showing up at my pawnshop demanding a job. She's the most tempting thing I've ever seen, and I'll be damned if I can make her leave. Shit just got complicated but when it comes to her, I want complicated. We're both fighting our own demons, and our only chance at a future is to let go of the past. But will we be strong enough to break free from beneath these chains?
