But ruins lie outside the City, remnants of a society destroyed by solar storms. Those ruins house the corrupt and the criminal--men like Jasper McCray, bootlegger and cage fighter. Hell defend the OKane gang with his life, but no fight prepared him for the exiled City girl who falls at his feet. Her innocence is undeniable, and so is their attraction. But if she wants to belong to Jas, shell have to open herself to a world where passion is power, and freedom is found in submission. BEYOND CONTROL (100,000 words, 398 pages) Alexa Parrino escaped a life of servitude to become one of the most influential people in Sector Four, where the OKanes rule with a hedonistic but iron fist. Theres nothing she wouldnt do for the gang--and for its leader. But she bows to no one, not even Dallas OKane. Dallas fought to carve order out of the chaos of the sectors. Danger threatens his people, but his liquor business is flourishing, and new opportunities fuel his ambition. Lex could help him expand his empire--and no one says no to the king of Sector Four. Falling into bed is easy, but their sexual games are anything but casual. Attraction quickly turns to obsession, and their careful dance of heady dominance and sweet submission uncovers a need so deep, so strong, it could crush them both. BEYOND PAIN (89,000 words, 350 pages) Live fast, die young--anything else is a fantasy for Six. Shes endured the worst the sectors had to throw at her, but falling in with Dallas OKanes Sector Four gang lands her in a whole new world of danger.

Theyre completely open about everything, including their sexuality--but she hasnt survived this long by making herself vulnerable. Especially not to men as dominant as Brendan Donnelly. Bren is a killer, trained in Eden and thrown to the sectors. His one outlet is pain, in the cage and in the bedroom, and emotion is a luxury he cant afford--until he meets Six. Protecting her soothes him, but it isnt enough. Her hunger for touch sparks a journey of erotic discovery where anything goes--voyeurism, flogging, rough sex. He has only one rule: he wont share her. In Brens arms, Six is finally free to let go. But his obsession with the man who made him a monster could destroy the fragile connection theyve forged, and cost him the one thing that makes him feel human--her love.
