

His Lullaby Baby (The Baby Saga) (Volume 5)

Nothing ever happens by accident. Ex-combat search and rescue officer Toby McClain had seen all aspects of humanity in his ten years of service until friendly fire took him out of action. But bitterness was something Toby could never do. He was alive. He had his family and, after being ambushed by a door, he had his eyes on the sexy new innkeeper. Adelaide Nixon had felt the burn of love once already. It was a mistake that cost her six years of her life. It was a punishment she never wanted to feel again, especially when there were two little people who depended on her to keep them safe. The last thing she wanted or needed was the attention of a guy whose family kept the gossip mills turning. But no secret ever stays hidden in a place like Willow Creek. Even as Toby breaks through Addys walls, a new threat comes to town, leaving her no choice but to put more than her heart in Tobys hands and trust him not to destroy her.
