

Finding Resolution (Centre Games) (Volume 4)

Finally, Dr. Jasmine Carter (Jazz) was getting her shot at taking the lead on one of the Centres highly covert operations. Great, wonderful, a dream come true even you'd think. Well, that was until Mr. Tall, Dark, and Broody Quade Roston, her fellow Centre co-worker was assigned to be her partner. For the last twelve months, these two had been at war. In fact, they'd elevated trading verbal barbs to the level of an international sport. For all the antagonism, the chemistry between them was just as strong. They both knew it their teammates knew it. But what the hell were they going to do about it? Simple Jazz issues a challenge to Quade that she thinks he'll never accept nor live up to. Then their seemingly straightforward assignment to investigate a few cases of a mystery illness suddenly morphs into something much more deadly. Jazz finds herself the unknowing target in the middle of a biker war. Now she's dealing with threats from all corners. But maybe, just maybe, the biggest threat will be to her heart.
