

## Baker Street #2 Complicated Girl (Baker Street Romance)

A charming, funny, satisfying love story about two very interesting people. I loved every page. A heart-warming story with sensual romance. *Complicated Girl* crackles with the energy of Mimi Strong's trademark wit and comedic edge. You will swoon for Drew, who is as charming and sarcastic as he is well-dressed. Opposites attract when a rough-and-tumble florist meets a sophisticated, well-groomed dentist at her self-help group. Drew Morgan looks like he stepped out of a mens fashion magazine. He smells even better. He comes on strong the first time he meets Megan (a.k.a. Meenie), getting her away from the group so he can lay on his charm.

Meenie doesn't have much practice with flirting, so she does the next most logical thing to get Drew over to her house. She gets a pair of pliers, yanks off her dental cap, and calls Drew on his after-hours emergency number. When Drew shows up with his stylish leather doctors bag, and snaps on his latex gloves, the dental procedure goes horribly wrong and the romance goes surprisingly right. Once Meenie's tooth is repaired, the only thing left to fix is the enormous problem she won't admit she has. Now that she's in danger of losing her perfect guy, the stakes have never been higher for Meenie to finally stop being so complicated.

*COMPLICATED GIRL* is a complete, stand-alone novel. It's book 2 in the Baker Street Romance series, a group of romantic comedy books with linked characters. Book 1, *BLUE ROSES*, is about Meenie's sister Tina, and is also available now!

Mimi Strong. 3.74 avg rating 1,191 ratings. I loved this first book in Mimi Strong's new BAKER STREET series. but all in all Blue Roses is the beginning of a fantastic new series (A Baker Street Romance) . I love a heroine who is as witty and smart as she is a caring and loving woman. Short read about two interesting characters as well as a sister and friend.
