

## Shifty Business (Bend-Bite-Shift Trilogy Book 3)

Gerry Hinton thought she had the perfect career as an operative for the Company. Her next assignment should have been another mission accomplished, but hell was delivering hand baskets that day. When a little girl gives a mysterious silver box to Gerry, her world self-destructs. Suddenly under constant mental attacks, the only person who can save her is her partner, Nicky--but nothing comes without a cost. Secrets buried deep in the past begin to rise, threatening everything she holds dear. Intended for readers 18 and up.
