Too many people in her life have fallen at the hands of the man who has a strange obsession for with her. Could Miranda be his next victim? She knows how her friend Sally died, but she still doesn't know why. Could this information be the key to unlock everything the Agency needs to put Tench away forever? Or is an unlikely ally and a piece of her past the answer to it all? Her heart may be torn with grief, but her head is filled with a burning reprisal. Could Tench's unhealthy desire for Miranda be her best weapon against him ... or will she push him too far?
