ADVANCED REVIEWS OF BREAKING CLEAR This book had just the right amount of humor, sarcasm and heart-wrenching moments that made this a really good read for me. Very rarely does a book make me literally hold my breath or has me feeling that actually ache in my heart for a character, but I did both. ~ Three Chicks Review for Netgalley This is a perfect steamy fun summer beach read! Another sweet, lovely love story from a master storyteller. This is a must-read!! ~ Melissa, Effen Book Club

PRAISE FOR MJ SUMMERS I inhaled this book... Riveting sexual heat... a delicious and definite five star read. ~Jennifer Sage - Author of *The Guardian Archives Series* A fun, often humorous, escapist tale that will have readers

blushing, laughing and rooting for its characters. ~KIRKUS REVIEW of Breaking Love MJ Summers is slowly killing me. First she wrote a book about a sexy cowboy and now shes written one about a sexy Frenchman. I loved Breaking Love and it was worth every one of the 5 stars that I gave it. ~ Karen, A Thousand Lives Book Blog What other authors so often fail, MJ championed in this book: in many books this long process of will they/wont they is just too long and after some time it loses the whole appeal, but here... it was not flat or boring for a second, it was all the time gripping and had you on the tips of your toes. Altogether, the book has made a fascinating, steamy... quick read. Why quick? Well, because I couldnt put it down, so engrossed was I in Megan and Lucs lives. It is a brilliant love story written with a lot of feeling and understanding.... MJ Summers can really write a hot romance with great characters in it, full of misunderstandings, twist and turns, heartbreaks and hurt but still with a lot of joy and that is a great entertainment. I have really enjoyed this book and will be keeping my eye on MJ Summers in the future. ~ On My Book Shelf Review Blog
