The H.O.T. Cops: Trained to impose the law, but naturally skilled at enforcing pleasure. Rogan Wolfe is a bad boy cop the lone wolf on the force and in need of something new to excite him. Now he's transferred to sexy South Beach in Miami working undercover and looking for a fresh start. April Pediston is the epitome of responsible overworked and under pressure as a high-powered attorney. Then one night, unwinding at an oceanside club she's never frequented before, she locks eyes with a stranger. Rogan and April don't seem a natural match. She's a total professional. He's rough around the edges and ready for anything making April feel totally out of control. And, to her surprise, exhilarated. But stripped of her starched suit, can she really succumb to his every demand? They're headed to a place of desire and reawakening that's about to change both their lives.
