Born into a group of desert-dwelling telepathic descendants of Vikings, Tess was meant to become a link for them all their queen and conduit. Her kidnapping and the subsequent death of her parents meant her people, the Afotama, have had a hole in their web for too long. Now that she's back at home, it's Tess's job to mend it. But, she can't do it alone. She needs a perfect mate to fill in her psychic gaps, and two men claim to be fated for the job. Harvey Lang, her childhood champion, and the group outsider Oliver Gilsson would fight to the death to win her. However, to gain full control of her considerable power, she must find a way to keep them both. — THE VIKING QUEENS MEN is an M/F/M menage romance that contains hot sex, bar brawls, and psychic snark.
