Family pressures might just make her do something crazy... This sensuous romance is like a Hallmark Christmas movie with some intense love scenes. This title is also available in the Wedding Dreams Boxed Set. When a young woman hires her hometowns former bad boy to be her pretend fiance for the holidays, she finds she cant wrap up her feelings as easily as a Christmas gift. New York jewelry designer Graceann Palmer has two days to find a fiance to bring home to Pennsylvania for the holidays so her matchmaking mama will quit fixing her up with jerks. The Falcon, a motorcycle-riding, leather-clad former high school crush, helped her out once before. Maybe hell do it again. Jake Falco, man of many mysteries, is back in town on a mission--one the people of Spirit Lake most likely wont appreciate. When Graceann presents him with her crazy scheme, it gives him something hes always wanted--a chance to get to know Graceann. It also gives him the perfect opportunity to add fuel to his project of revenge. But as Jake and Graceann grow closer, their engagement-of-convenience begins to feel like the real deal--until Jakes secrets are revealed. Can a relationship that began with lies and secrets bloom like a rare Christmas rose into happily-ever-after?
