

The Spontaneous Healing of Belief: Shattering the Paradigm of False Limits (4 CD Set)

What if the beliefs you have about yourself and the world are wrong? How differently would you live if you discovered that you possess the power to choose the way you deal with longevity, health, and even life itself? Such a radical discovery would change everything about the way you see yourself! In *The Spontaneous Healing of Belief*, you will discover that you are not limited by the laws of physics nor by the laws of biology ... and that the DNA of life is a code that may be changed and upgraded by choice! In this life-altering CD program, best-selling author and lecturer Gregg Braden shares 15 keys of conscious creation that show you how to translate the miracles of your imagination into what is real. With easy-to-understand science and real-life stories, Gregg shows you that you are limited only by your beliefs ... and what you once believed is about to change!
