

Empowering the Soul: Creating Harmony in a Troubled World

With a vision for global healing and spiritual well-being, the 2004 Sacred Link Conference held at the Himalayan Institute brought together pioneers of a healing revolution: alternative energy experts, diplomats, business executives, yoga teachers, holistic health practitioners, and environmentalists. These bold and courageous individuals offer keen insights into a diverse range of issues, from personal spiritual enrichment to a global vision of a more peaceful and sustainable society.
