Each story is a stand alone title featuring new primary characters with limited overlapping secondary characters. Fashion designer Abigail Harris has been rescued, but her nightmare is far from over. Determined to put her harrowing ordeal behind her and move on, she struggles to pick up the pieces of her life while eluding the men who want her dead. The Mid-Atlantic Sex Ring is in ruins after Abby's interviews with the police. The organization is eager to exact their revenge before her testimony dismantles the multi-million dollar operation for good. Abby's safety rests in the hands of former US Marshal, Jerrod Quinn. Serious-minded and obsessed with protocol, Ethan Cooke Security's newest agent finds himself dealing with more than he bargains for when he agrees to take on his beautiful, free-spirited client. As the trial date nears, Abby's case takes a dangerous turn. Abby and Jerrod soon discover themselves in a situation neither of them expect while Jerrod fights to stop the ring from silencing Abby once and for all.
