

Catnip and Cauldrons: Books 1 - 3

Onyx Night College student, Onyx Knight has yearned to leave her tiny hometown behind for years. When her family is ripped from her life, Onyx is thrust into a secret world she never knew existed and discovers something about herself she could never have imagined. Onyx Shadows While vacationing in Rome, Onyx learns cat-shifters all over are coming out of the shadows of tradition and striking out on their own. Joining up with these other shifters seems like a good idea at first, but the more Onyx learns, the more danger she places herself in. Feral Escape Imprisoned for over a week, Molly is starting to lose hope. Ivan has volunteered every waking moment to help Onyx and the others find Molly. When he finally rescues her, he vows to keep her safe until the threat that put her there is eliminated. Rescuing Molly is only the beginning. Danger is still closing in on them fast and a secret from Ivans past may put them all in jeopardy.
