The sexual attraction is like an electromagnet but they fight like alley cats. The relationship just isnt worth it. Zanes band Fully Automatic breaks big about the same time Jennifer finishes college. One summer afternoon, they meet for coffee and sparks fly once more. Its off again, on again, but they just cant make it work and break it off for good, deciding its not worth the effort. But Zane is drawn to her and, during a break in the music action, he tracks her down again, willing to change himself for her and needing to give her one last try. The attraction is as strong as ever, but now Jennifer is hiding something from Zanesomething big, something that threatens to extinguish the spark for good. When Zane discovers her secret, will he be able to forgive her or will that be the end?
