

Immortal Embrace

Enter into a world where Vampires not only rock your world on stage, but rock your world in bed. See the struggles they go through from the needing to feed, and protecting humans; especially the ones that they love. A classic love story, that asks the question, could a undead man love a human woman? How far is he willing to go for her, and for a normal life? Male/Female with a happily ever after ending (and a couple bumps along the way).

His Immortal Embrace (Zebra Historical Romance) - Kindle edition by Hannah Howell, Lynsay Sands, Kate Huntington, Sara Blayne. Romance Kindle eBooks Questions related to book 1 Immortal Embrace of the Embrace Series.: Who is the lead Character of Immortal Embrace?, Who is Sophias love interest?, Who 1 quote from His Immortal Embrace: a mons real wealth isnae measured in lands, coin, or fighting men, but in the giving and receiving of a true and lasStart by marking His Immortal Embrace as Want to Read: The first two stories, THE YEARNING by Hannah Howell and BITTEN by Lynsay Sands, were both basically Scottish historical stories where the brave warrior laird just happens to be a vampire.
