

Too Much To Bear: BBW Shifter Romance (Shifters of Spellholm Forest - The Bears Book 2)

Curvy girl, Jenny has been haunted by the devastation Beck unleashed on her when they were at high school. Lacking in confidence, she only came to terms with her life after he left town. But now he's back. Showing up unexpectedly she can't figure out his strange behaviour. Until he admits she's his mate. With new found control over him, she is determined to resist the urge to mate with him. However, as her coming of age approaches and the change threatens to rob her of her willpower can she hold herself back. Or will he destroy her once more? Beck can't believe his luck. The girl he was cruel to at school is his mate. He needs to find it in himself to win her over, and make her see they have a future together. Just when he has found a way, his own doubts surface, making him hell bent on tearing both of their lives apart. Contains explicit adult scenes. Too Much To Bear continues on from Her First Time With A Bear, and will finish with a third instalment. They do not contain cliffhangers, but there is a loose storyline running through them, although each book contains a complete romance between the two main characters. Coming in The Bears - Book Three Battling the changes their coming of age creates, Paris and Jenny have no time to get used to things before Mother Harts warning materialises in the form of a mysterious young woman hell bent on wrecking everybody's happy ever after. Can the eldest bear brother tame her, and work out why she is out for revenge? All this is answered in the final part of Shifters of Spellholm Forest - The Bears.
