

Welcome back to The Core. ALICE includes all four installments of Alices story: Enticed, Seduced, Exposed, and Elevated! The most exclusive, anything-goes, all-night dance club is alive with music, drinks, and unrivaled passion. As The Core's top matchmaker, Alice is gunning for a promotion. One she's got locked down as long as nothing disrupts her dance-floor dominating routine. But when the sexy mechanic Evan walks into her work and shakes her confidence in her matchmaking abilities, Alice can't resist his good looks or his passionate ways. He sweeps her off her feet, enticing her with the adrenaline of his bike and the intensity of his attraction to her. But Alice knows she can't get close to anyone from The Core. And after learning the secrets in Evan's past that drive his irresistible, never-hold-back personality, she's not sure she can let him go without falling back on the dangerous patterns that haunt her own drug-addicted history. Admitting his part in the devastating loss of his brother nearly rips Evan apart. Those pills locked in a drawer in her office grow more tempting with each passing day. Now it's Alice's turn to let go of her fears and elevate herself to a new level... one filled with passion, confidence, and—she hopes—Evan's reckless love. Alice's tale unfolds in this collection from The Core with a hot, emotional story that will tantalize new readers of the series and fans of The Core: Andee alike.
