CLEAR is a standalone. CLEAR crosses genres, breaks boundaries, and it will certainly leave you breathless. You won't just fall in love with this story--you will become addicted to it. -Bestselling author Andrew E. Kaufman Stella Ford's grasp on reality is already loose, and it's about to come undone. When the college junior flees Chicago and leaves her toxic family behind, she heads for coastal Maine to find the one person who brought her peace years ago: Sam Bishop. But the Sam she once knew now has painful secrets.

Stella is determined to heal them both. Healing, however, is a challenge when the walls of her everyday existence collapse. And when Sam's best friend is his worst enemy. When the line between life and death blurs. When an end is just a beginning. When lust and rage rule. Yet during extraordinary chaos, there can be extraordinary love, even if that love comes with a twist. Welcome to death tripping.

*Please note: CLEAR is a standalone. This book is intended for mature audiences due to strong language and sexual content.

REVIEWS This story is exquisitely twisted. It was a very psychologically demanding read for me not much catches me off guard or makes me squirm, but CLEAR manages to do both in the best possible ways! The pace is perfect, the tone is unapologetically raw and honest, and the result is intensely entertaining and mind-bending. -K and Ms Book Haven Every page is written with vivid attention to the intricate details and complex characters. Clear is poignant, raw, and sometimes downright gritty. Everything about it pushes boundaries, giving a completely new meaning to the moralities of life and death, love and loyalty, reality and perception. -Tammy and Kim Reviews

This unforgettable, incredible story will consume you. I devoured it. Clear is erotic, intense, and utterly addictive. It will mess with your mind and test your limits.

-Confessions of a Book Whore It is fast-paced, crazy, f***ed up, confusing, but an all around complete and total mind f*** that will leave you scratching your head and wanting to dive right back in to make sure you got everything that happened, and to experience it all over again. -The Book Trollop
