

Phantom River (Columbia River Thrillers Book 2)

A woman who earns her living on Oregon's treacherous Columbia River... Bar pilot Jo Henderson knows all the myths and legends of her native Astoria, but her knowledge of the undercurrents in local events proves more deadly than she thought possible when an explosion dumps her into the Columbia's icy winter waters. Though she survives her first accident, she unknowingly becomes the target of a ruthless killer. A man sworn to save lives at the risk of his own... When Bostonian John MacFallon took the job of Astoria's police chief, he left evil behind he thought for good. But with the suspicious accidents piling up, Mac uncovers a plot that threatens to cripple the regional economy and destroy the woman who has quickly become far too important to him.

The romance between the two main characters was predictable and unbelievable, .. This book was a good example of a well constructed murder mystery/thriller with a romantic story as a part of the plot. It gave me good background on the west coast, the Columbia river, and storms. Her Ghost stories are also great. See the complete Columbia River series book list in order, box sets or #2. Phantom River: Columbia River Thriller - Book #2 of the Columbia River book series.
