

Taming the Billionaire - Part 2 (An Alpha Billionaire Romance)

This is Part 2 of Taming the Billionaire a five part Hot Alpha Billionaire Romance Series by Alice Ward. Drake Waters was my knight in shining armor and I was living in a fairytale as surreal as it was exciting. It was everything Id ever dreamed of and never thought possible. At least in the beginning. My confidence in him was tested when I stumbled into a dangerous situation. I managed to escape my attacker, but it took time to put our relationship back on track. As we fell deeper in love, our differences became more and more apparent. But neither of us could fight the pull we felt towards the other. And when our families warned that we would never work, we felt more determined than ever to prove them wrong. I was certain that Id found my happily ever after until I overheard a secret that could tear everything apart. This book is intended for a mature audience, 18+ only.
