

## Never Tied Down (The Never Duet Book 2)

This is the conclusion to Kalli and Riots story, part two of the Never Duet. Due to mature themes, it is intended for adult readers. I miss him. I miss Marcus. I miss Riot. I miss them. Pushing Riot away when Marcus died was an act of desperate self-preservation. I didnt love him any less, didnt blame him for Marcus death, but I couldnt be with him and deal with the crushing weight of guilt that tore me down every single day. So, I moved on. Or tried to, anyway. Life, of course, pushed us back together. I still dont know if Im strong enough to keep myself away from him. Or if I even want to. Besides, something tells me life isnt done trying to break me.
