

Reduced to Joy

Mark Nepo is emerging as one of the truly significant writers and thinkers of today. Nepo has a singular way of distilling great truths down to their essence. Moreover, during his cancer journey, Nepo relied on the power of expression and the writing process to keep him tethered to life. In *Reduced to Joy*, Mark Nepo explores the places where pain and joy are stitched to resilience, uncovering them with deep wisdom, poetic passages and personal revelations. Nepo reminds us all of the secret and sacred places within, forgotten in the noise and chatter of our busy distracted 21st Century lives. *Reduced to Joy* is a lesson in stillness, in standing in the mystery and, above all, in the work of love.
