

Blayde of Darkness

Set in the WindWorld realm. From the moment she first sees him, elite Riezell Guardian Sage OBanyon thinks hell-hound Reaper Blayde McClory is an arrogant ass, but his smoking-hot body and smoldering gray eyes start a fire in her body that nothing in the Megaverse can quench. Being pulled into his strong arms, locked against a rock-hard chest and having his sensual lips devour hers is like falling into a cauldron of lust. But Sage isn't the only woman whose body craves Blaydes. The woman he is sworn to protect considers him hers body and soul. Her possessive nature is that of a black widow spider and Blayde becomes ensnared in her deadly web. If she can't have him, she'd rather see him dead. A Romantica futuristic erotic romance from Elloras Cave
